MORE PROVIDERS NEEDED

With the rapid growth of the clinic since we started seeing patients last September we find ourselves in need of additional volunteer providers to supplement our current staff of 2 physicians and 2 nurse midwives. If you know of any pro-life OB/Gyn physicians, Certified Nurse Midwives, or Women's Health Nurse Practitioners who might be interested in volunteering 4 hours per month to care for the women in need that God sends our way please contact me at bradgarrison52@gmail.com or call 734-646-8206 and I will follow up.
