BABIES GALORE!

We have had 8 Luke Project babies delivered in January 2024 and 5 more already in February (as of the 12th). 97 babies since we started in September 2021! “Whoever welcomes one of these little children in my name welcomes me; and whoever welcomes me does not welcome me but the one who sent me.” (Mark 9:37) Thank you for your service and support.

BOARD APPROVES EARLY PAYOFF OF CLINIC BUILDING PURCHASE

At its January Board meeting the Board of Directors of the Luke Project 52 Clinic of Flint approved the early payoff of the outstanding balance on the purchase of the clinic suite at 5131 W. Bristol Road, Flint, MI 48507. We are thankful for the previous owner, Walt Conger, who resisted efforts for this site to become an abortion clinic and instead made financial sacrifices and worked with us to turn this site into a great compassion ministry providing full prenatal medical care to women in need AND a great commission ministry where the unconditional love of God in Christ Jesus is shared freely with the Moms we serve. Soli Deo gloria!

JANUARY/FEBRUARY NEWS

- The anonymous \$10,000 matching grant given last November was fully matched in November and December making the above news possible. The donor has promised another matching grant in November this year. “Give, and it will be given to you. They will ¹pour into your lap a good measure—pressed down, shaken together, and running over. For by your standard of measure it will be measured to you in return.” (Luke 6:38)
- Father Joe Krupp from Holy Family in Grand Blanc recently mentioned our ministry in one of his homilies and the support we have received in response has been significant.
