BABIES GALORE AND CLINIC GROWTH!

Welcome to our 120th baby born since we started in September 2021. The growth of the clinic is miraculous as God works out His 5 loaves and 2 fish promise. The stats below are shared in the interest of transparency so you can see what God is doing with your support.

Other types of appts are tracked such as NST, Nursing Only, Doula, etc. but the above listed should give you an idea of what God is doing. Thank you!

STAFF RECOGNIZED WITH PRESTIGIOUS AWARD

Two of our staff, Sherie Garrison RN our Nursing Director & Clinical Care Coordinator and Lyric Walsh DNP, CNM our Medical Director were recognized for their selfless (all volunteer) service to the women of Flint. They accepted this unexpected award on behalf of all of our staff of 30 providing prenatal care, pharmacy, ultrasound, prenatal education, social services and insurance navigation, staff our baby store, provide administrative support, serve as hostesses, and deliver groceries, all in the Name of Jesus. We exist to share His un-

conditional love by using the gifts He has given us to care for others in need.

MARCH AND APRIL NEWS

- March 8 a benefit concert was held by Lifeline Church of God in Clio to support our work
- On April 4th we received a check for \$1872.80 from the Med Students at MSU (several are working with us) to pay for our new vital signs monitor equipment
- Bad news - our ambulance that we use to make home visits is in need of a major repair. Good news - we are hoping to receive a grant from a new organization in Flint called "Impact 100" to cover those costs. Google this group to see the good work they are doing and plan on doing.
- May 14-15 we will be at the South and East Pastor's Conference of the Lutheran Church Missouri Synod to share with them the work we are doing in Jesus' Name.
- We are hoping to receive a grant of a new portable Chison ultrasound machine from our NAFC membership specifically for use in our mobile unit.
