CLINIC GROWTH AND BOARD DISCUSSIONS

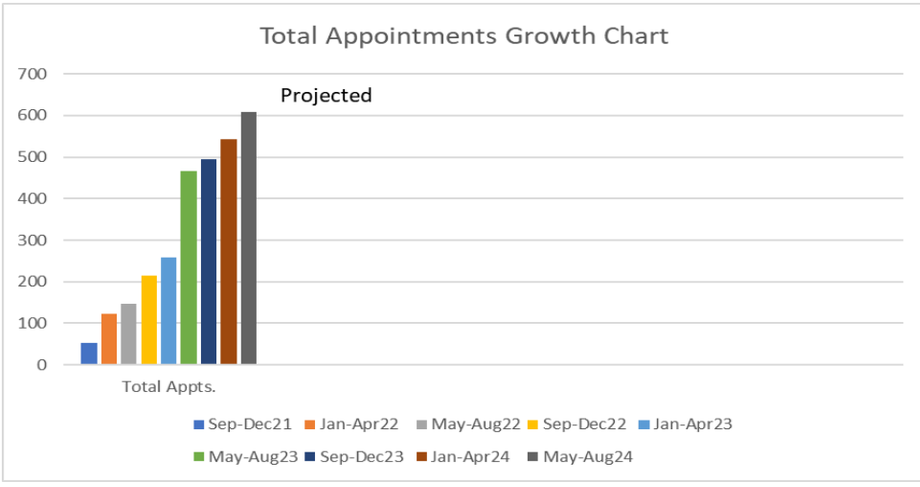
The growth of the clinic is miraculous as God works out His 5 loaves and 2 fish promise. The chart below is shared in the interest of transparency so you can see what God is doing with your support. Our Board is currently working to initiate conversations with the Diocese of Lansing, a local Lutheran parish, and an entrepreneurial medical professional on paths forward for long term sustainability of our 3 year old mission effort. Keep us in your prayers.



HISPANIC MISSION OPPORTUNITY

We currently have 7 Hispanic (Spanish only) moms we are serving and 9 Hispanic families that have already delivered (approximately 50 souls). I attended the baptism of one of our babies recently. These 16 families are receptive to the idea of seeing the Luke Project 52 Clinic of Flint as their spiritual support. Just considering the possibility of establishing a Hispanic Mission station here. We own the building, but only use it one day a week for clinic and would provide the utilities, association dues for parking lot and grounds upkeep and insurance. Our baby store (all free diapers, wipes, strollers, car seats, play-paks for safe sleep, baby clothes, formula, etc.) could be open on bible study or worship dates. If we have a Spanish speaking priest, pastor or vicar that wants to start something new in Jesus' Name, we would be supportive.

MAY, JUNE, AND JULY NEWS

- May 14-15 we were at the South and East Pastor's Conference of the Lutheran Church Missouri Synod to share with them the work we are doing in Jesus' Name.
