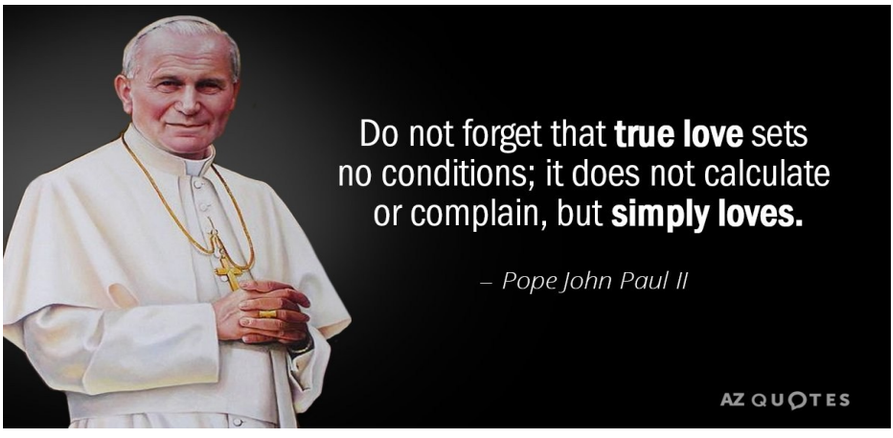
McLaren Family Medicine Residency Program coming to Luke Project 52 Clinic—Flint

We are looking forward to Family Medicine Residents from McLaren starting at the Luke Project 52 Clinic of Flint in January 2026. Dr. Sara Elsayed MD, the program director, informed us recently of their intent to assist us in providing care to the most vulnerable while gaining valuable experience for their residents.

Christmas Gifts for All of our Moms

"But the angel said to them, "Do not be afraid; for behold, I bring you good news of great joy which will be for all the people; for today in the city of David there has been born for you a Savior, who is Christ the Lord." Luke 2:10-11

In December ALL of our Moms we are currently caring for (well over 60) will receive Christmas gifts gathered and distributed by the members of Shalom Lutheran Church in Pinckney. In addition a women's bible study group from Grumlaw Church in Grand Blanc will host the celebration and provide the refreshments as we seek to fulfill our 3rd core value of helping churches build community with people who need Good News.



The need for Great Compassion continues to increase

The need for the services we provide at the Luke Project 52 Clinic of Flint free of charge to the uninsured and the under-insured has continued to increase dramatically in the last few months. More of our Moms who work are being placed in insurance programs with unaffordable spenddown requirements. We had almost no gestational diabetes patients in our first 3 years because we were able to transfer their care to other providers who could bill for their care. Many of those Moms no longer qualify for anything but emergency care and we are now providing insulin and diabetic supplies to many of them. Our Prescription budget line item has tripled. This is NOT a political statement! People on both sides of this debate have reasons to vote the way they will on how their tax dollars are spent. This is a SPIRITUAL statement! We choose to voluntarily serve those in need. We do not calculate the cost. We simply ask our fellow Christians to not forget that true love sets no conditions and give to help us carry out this mission. A blessed Thanksgiving and Merry Christmas to you all!
