NEW PERMANENT HOME OF THE LUKE PROJECT 52 CLINIC OF FLINT

The Luke Project 52 Clinic of Flint moved into its permanent home at 5131 W. Bristol Road, Flint 48507 on February 15-23 and our first clinic in our new location was held on February 24 where we saw 3 new Moms and follow-up appointments. An Open House will be held on Saturday, April 9th from Noon to 3PM. Plan to stop by to see our Clinic and Mobile Unit and enjoy a beverage and snack as we thank God for the way He has blessed us. Pictures are below.

We are located next door to Genesee Pediatrics with whom we have developed a working relationship to better serve our babies and their siblings.
